Nancy;

The purpose of this meeting is for our technical team to address any outstanding concerns the EPA might have on the last round of comment responses provided. If Jim has nothing he needs further explained and no additional information that he requires, then we can discuss finalizing the UIC application and moving on to drafting the permit.

Hi Rebecca,

Please provide an agenda for Thursday's (4/13) meeting so we can be prepared to discuss items. I also want to let you know that our contractor is not available for the conference call.

Thanks, Nancy
